

Keith Stedman dropped the game-winning, undefeated-record-making pass that would have made him a hero instead of a loser. Still haunted by his gaffe, he's considering quitting football for good. His friends and family convince him to stick with it, but his troubles are far from over. Another player seems determined to do everything he can to keep the bad memory alive in the minds of his teammates -- including Keith. Can Keith overcome his own obsession with the past and succeed in the present?
