

People are dying of rabies but how are they being exposed? The staff at Gopher Veterinary Diagnostic Labs wants to help but they are struggling with possible closure. Now one of their own is affected. Who can help this Minnesota community? Welcome to the Gopher Veterinary Diagnostic Lab mystery series. The goal is to learn something about medicine while getting to know these people and their community. Class sessions are interspersed throughout the story and a final quiz is available to help you judge your learning.
